

Country Fields at Fishers Street Parking Policy

In an effort to better manage our street traffic and minimize the nuisance of street parked vehicles, a formal plan has been approved.

Due to the narrow width of our streets through our community, your Board of Directors has adopted a policy of restricting street parking to a two hour time limit. Of course, extenuating circumstances will be taken into consideration in the monitoring of this policy.

Longer term parking is available at our clubhouse parking lot. Parking there is permitted for our residents and guests.
